К ЭМИГРАЦІИ ДАЛЬНЯГО ВОСТОКА

Эмигранты, надо быть безумцем, что бы не понимать того, что сейчас творится в Россіи. Надо быть без глаз, как слѣпые, или имѣть глаза и ничего не видѣть, что бы не замѣтить на лицѣ несчастной Россіи,-убійства, разрушенія, кнутъ, тюрьмы, сумасшедшихъ домовъ, чтобы не видѣть, до чего голодъ и ужасъ довелъ Россію. Надо быть без ушей, быть глухим, или имѣть уши и не слышать рыданій, вздоховъ, плача женщинъ, раздирающихъ криковъ дѣтей, хрипа душимыхъ людей и трескъ ружейныхъ выстрѣловъ палачей, всего того, что происходит в Россіи. Пусть отдыхают усталые, пусть сибаритные грѣются в своих теплых углах, пусть спит, кто может в эту страшную ночь, но вы бодрые, кто имѣет храброе сердце, придите на помощь тѣм что гибнут в РОССІИ. К вам солдаты, казаки и офицеры наши обращаюсь. К тебѣ молодежь ,цвѣт и гордость Россіи взываетъ РУССКІЙ НАРОД. ПОМОГИТЕ РОССІИ!!! Неужели вы можете так спокойно смотрѣть на всѣ ужасы голода, холода и нищеты, которые переживаетъ народ. Неужели ваше сердце камень, ваша честь и совѣсть утонули,что не видите всѣх ужасов. Неужели вы думаете, что своим весельем и пьянством, пляшущим и вечерами,вы спасете Китаѣ можите спасти Россію. Этим Россію не спасешь! Только безнадежные идіоты или не исправимые лицемѣры могут говорить,что еще время НЕ ПРИШЛО. Только СТРАХ за СВОЮ ШКУРУ заставляет говорить раздвоенным языком.

Величайшій ПОЗОР нашего времени,позор наших руководителей, которые до сих пор не могут понять, что русскій народ в оковах, голос народной воли задушен, царит террор и так я несчастной Россіи, нѣт сил на открытую борьбу с тиранией,- мы русскіе эмигранты должны всѣ силы своего разума, воли и чувства отдавать дѣлу помощи своему народу. ЭМИГРАНТЫ! Не слушайте захватившихъ власть в организаціях руководителей! Они то русскую сгубилъ,и Россію погубили, то повторяю вам во весь рост увѣряю, что время еще не поздно. Они шкурники, дрянный интеллигентный балласт в Новой Россіи, привыкшій к теплым мѣстам не хотят нарушить свой покой, разбить застарѣлый геморой, а потому для них всѣ несчастья Россіи ничто. Мы спрашиваем: что это низкій или безуміе? Такіе люди не достойны быть руководителями,откуда из вида потерян ужасъ Россіи. Ведь большинство же эмигрантов люди бывш. военные, когда то присягали на вѣрность Государю и за жизнь своих жизнь и умирали за ВЕЛИЧІЕ И МОГУЩЕСТВО РОССІИ. Изъ вѣрных присяжных, жандармы и городовые. ОТ РАЗГОВОРОВ ПОГИБЛА И НАША РОССІЯ. Организуйтесь ротами, полками, сотнями, связывайтесь друг с другом, отправляйте отряды,переходите границу и помогите русскому народу освободиться из оковъ проклятой Россіи. К вам Жизнь, Матери, [illegible] ВЫВАЖ русскій НАРОД! ПОМОГИТЕ СПАСТИ РОССІИ! ПОСЫЛАЙТЕ своих лучших [illegible] не исполнили СВОЕГО ДОЛГА. Если они свои ЗАБЫЛИ о Россіи, то вы не [illegible] шкурников и трусов, найдите где не потерятся и не пожалеют уничтожить: нашей [illegible] нашего крика взора. Время НЕ ЖДЕТ! Настала пора, когда эмиграція ДОЛЖНА [illegible] СВОЙ ДОЛГ перед РОДИНОЙ. Несмотря на руководителей, что они такіе эмигранты [illegible] которые живут чужим умом, а они уж своим сведут заниматься вновь. Но этого не будет! [illegible] теперь они никогда! Так молодежь нашей храбрая и сильная, поможет своей любви к [illegible] и Матери. У небезизвѣстных сердце, не обрывая документов и тѣ смогут найдут свое [illegible] [illegible] ЭМИГРАНТЫ! ВСТАВАЙТЕ НА ЗАЩИТУ ИЗНУРЯЕМОЙ РОССІИ!

СЛАВЯНЕ ВСѢ, ВПЕРЕД И ВПЕРЕДЪ!! С НАМИ БОГ!

[illegible] РОССІИ.

Anti-Bolshevik handbills.

Copies of handbills, translation of which is attached, appealing to emigrants of the Far East, have been printed in Harbin and sent to Shanghai to some of the local White Russian organizations for distribution.

Translation.

TO EMIGRANTS OF THE FAR EAST.

Emigrants, one must be insane not to understand that which is happening in Russia to-day. One must be blind or else have eyes and see nothing with them not to notice on the features of mutilated Russia the murders, destructions, grave-yards, prisons, lunatic asylums, or fail to perceive to what a state starvation and terror have reduced Russia. One must be minus ears or be deaf, or have ears and not hear the sobbing, sighs, weeping of women, the cries of children, the rattle of strangulated persons and the deafening noise of rifle shots of the executioners, at the sight of happenings in Russia. Let the fatigued rest, let the weak-willed enjoy their comforts, let those who can sleep in the terrible darkness of the night, but you, the vigilant and those who have a brave heart, come to the assistance of those who are perishing in Russia. Our appeal is to you, soldiers, cossacks and officers. To you, young men, the pride of Russia, does the Russian People appeal "HELP RUSSIA"!!! Is it possible that you can contemplate with calmness all the terrors of starvation, cold and misery, which the people are bearing. Have your hearts turned into stone, your honour and conscience ceased exist that you cannot see the horrors. Do you think for a moment that by means of your enjoyments and revelry, memorial services and balls, you being in China, can save Russia. This cannot save Russia! Only hopeless idiots or incorrigible hypocrites can persist in saying that the TIME HAS NOT YET COME. Only FEAR for ONE'S OWN SKIN makes people contradict themselves. It is the greatest SHAME of our time and shame to our leaders who still fail to understand that the Russian nation is imprisoned, that the voice of the people is stifled so long as the reign of terror continues in the unfortunate Russia, and that the people have no strength to oppose the tyrants themselves. We, Russian emigrants, must give our people all the power of our minds, wills and feelings. EMIGRANTS, do not listen to the leaders who have seized power in the organizations. They either cowardly bending forward or proudly lifting their heads declare that the time has not yet come. They are materialists and a useless element for the new Russia for, having accustomed themselves to comforts they do not wish to part from them, and hence the miseries of Russia mean nothing to them. We ask - What is it? Treachery or madness?! Such persons are not worthy of being leaders if they fail to see the terrors and shame of Russia. The majority of emigrants are former military men and at one time swore allegiance to their Country and having no regard for their own lives went and lay them for the GREATNESS AND POWERFULNESS OF RUSSIA. Do not trust self-centred people and empty talkers. RUSSIA PERISHED BECAUSE OF TOO MUCH TALK. Organize yourselves into groups of fives, tens, hundreds and getting thus together form detachments and cross the borders to help the Russian people ready to save the desecrated Russia. To you Wives, Mothers and Sisters does the Russian Nation APPEAL! HELP TO SAVE RUSSIA! SEND your husbands, brothers and sons to fulfil their duty. If they themselves have forgotten Russia remind them of her. Brand all cowards wherever you meet them and signify them as shameful men. Time is MOVING ON! The moment has come when emigrants MUST FULFIL THEIR DUTY before THEIR MOTHERLAND. Do not look up to the leaders - they are people who are waiting for someone else to do something first whilst they will follow when everything is ready. It will not be thus! It is a question of now or never! You, young men, who are strong, brave and courageous, shew an example of love for your country and the people. You have a kind heart, not possessed by the dollar and you will sooner understand the sorrows of Russia. EMIGRANTS, RISE UP IN DEFENCE OF DESECRATED RUSSIA! SAVE FAITH, PEOPLE AND COUNTRY!!! GOD IS OUR HELP!

Коммунизмъ умретъ! **РУССКІЕ ЛЮДИ!** Россія воскреснетъ!

Мѣсяцъ тому назадъ, послѣ длительной подготовки, изъ СССР, подъ видомъ „высылки", командированъ съ цѣлями плавитарной провокаціи Троцкій

Мы получили недѣлю тому назадъ изъ Москвы братское предупрежденіе —Троцкій, старый коммунистъ, работаетъ все время въ единой коммунистической партіи, составленной изъ самыхъ отбросовъ международного жулья у которого есть одинъ законъ, одна заповѣдь: **провокація.**

Мы утверждаемъ, что сидя въ Вѣрномъ, Троцкій руководилъ подготовкой краснаго похода въ Индію и ему удавалось почти захватить Авганистанъ работая съ краснымъ Эмиромъ Аманулой. Вся же брехня объ оппозиціи— это **средство** провѣрки своихъ же коммунистовъ, кто изъ нихъ свое мнѣніе смѣетъ имѣть. Съ другой стороны, ввиду неизбежности краха коммунистической власти, вотъ уже шесть лѣтъ, какъ на смѣну теперешнимъ красным тиранамъ, готовятъ другихъ, разыгрывая комедію „ссылок" и «преслѣдованій», дабы вызвать къ нимъ сочувствіе враговъ коммунистовъ, обмануть еще и въ томъ, что «новые» будущіе московскіе комиссары—„троцкисты" дескать, не отвѣтственны за все, что сдѣлано съ Россіей.

Теперь же, наряду съ указаннымъ планомъ, Троцкій долженъ связать активность эмиграціи, спутать ея планы, обманувъ и спровоцировав ее и иностранцевъ, а если удастся, то поднять соціальную революцію въ Европе.

Эти же задачи выполняются и на Дальномъ Востокѣ, гдѣ отъ ТРОЦКОГО РАБОТАЕТЪ ГРУППА ПРОВОКАТОРОВ, ВЪ КОТОРУЮ ВХОДЯТЪ **МОРАВСКІЙ.**

Самъ этотъ мелкій жуликъ не представляетъ ничего особеннаго, но за его спиной стоятъ большія акулы международного масонства.

Что же касается **моравского** то

ЭТО тотъ Моравскій, который въ 1918 г. появился въ Сибири и примазался къ бѣлому возстанію, а затѣмъ когда его, какъ паршиваго эсерушку выкинули изъ Омска.

ОНЪ во Владивостокѣ подбиваетъ Гайду поднять возстаніе противъ адмирала Колчака. Во время этого бунта погибло болѣе 200 офицеровъ, которыхъ подвелъ Моравскій, Краковецкій и др. изъ группы провокаторовъ-эсеровъ, съ 1918 г. перешедшихъ на службу къ коммунистамъ и до сего времени имъ вѣрно служащая.

Друга Моравскаго—**КРАКОВЕЦКАГО**, Коминтернъ заставилъ играть въ открытую и онъ съ 1921 г. состоитъ на оффиціальной службѣ по Наркоминдѣлу.

МОРАВСКІЙ,— Коминтерномъ оставленъ для работы въ эмиграціи, чтобы пролезая въ бѣлыя организаціи, разваливать ихъ и всячески мѣшать русскимъ людямъ за-границей, протянуть братскую руку помощи подневольнымъ русскимъ людямъ въ СССР. Но не удалися подлому провокатору его подлые замыслы; въ 1928 г. онъ былъ окончательно разоблаченъ и выброшенъ изъ бѣлой Сибирской организаціи которую онъ пытался скомпрометировать дѣлая фальшивыя марк, за что Шанхайскимъ судомъ Французской концессіи былъ осужденъ на 3 мѣсяца тюрьмы и выселенъ изъ предѣловъ ея навсегда. Но онъ

УБІЙЦА— многихъ сотенъ русскихъ офицеровъ, своей провокаціонной работой уже много мѣшавшій бѣлому дѣлу, до сего времени обманываетъ легковѣрныхъ русскихъ людей и сейчасъ, какъ истый провокаторъ-

ФАЛЬШИВОМОНЕТЧИКЪ-подводитъ попавшихся ему на удочку русскихъ офицеровъ подъ уголовную отвѣтственность.

Знайте русскіе люди что этому прохвосту, сейчасъ, поставлена ударная задача вмѣстѣ съ БУРЦЕВЫМЪ, КОВГАНОМЪ, АРЕСТОУЛОВЫМ МЕТЕЛИЦЕЙ, ГЕНШТАБА ПОЛКОВНИКОМЪ ГУЩИНЫМЪ И РАФ ЛОВЫМЪ, и пр. работающими отъ Троцкаго въ эмиграціи, - принять всѣ мѣры къ провокаціи бѣлыхъ начинаній, чтобы не дать возможности сооргинизоваться истиннымъ врагамъ коммунизма.

РУССКІЕ ЛЮДИ на ДАЛЬНЕМЪ ВОСТОКѢ!

Будьте на стражѣ!

Смотрите, чтобы эти жулики «троцкисты» не запутали-бы Васъ въ свои хитрыя сѣти. **Братство Русской Правды.** 20 МАРТА 1929 г.

Important negotiations are being carried on in connection with the recent request of the Soviet representatives of Moscow on the subject of general political situation in the North Western Provinces, the Soviet and particularly the Chinese Eastern Railway. The main question to be solved is the economic and political relations between Russia and China which may necessitate the revision of the treaties existing between the two countries by Soviet representatives in connection with the serious aspect of affairs at present. The Soviet is continued to be violated by the Soviet in spite of the promises made to refrain from it. The representatives tried to explain that no Government can check every act of political movement or activities of its citizens, but the Chinese officials replied to the above as follows:-

"We understand that it is impossible to watch every political activity of every citizen of the country, but when one such citizen is arrested on the border of the country and is found in possession of large quantities of propaganda literature, it is permissible to ask from where he has obtained such quantities of printed matter and what was the punishment meted out to him by the respective government or consulate? If there is no such it means that the government authorities are instrumental activities affecting other countries that have friendly agreements with it.

Failing to come to any better understanding to amend the revision of the [illegible] agreement between Harbin and Moscow, the parties left the agreement as it stands where politics and economics were concerned. However with respect to the commercial management of the Railway considerable changes will be effected referring to the engagement and dismissal of employees, the extent of the duties of the Manager, sub-managers, departments, etc.

It is difficult to say what the changes actually will result in, but one thing is certain and that is that practically communists will lose hold on the Railway.

The Fraternity of Russian Truth.
(A Handbill)

On March 20, 1928 handbills published by unknown persons and alleged to emanate from the "The Fraternity of Russian Truth" were circulated in Shanghai and other cities of China.

The handbills comment on the provocative activities of Trotsky and mention the names of Romanoff, Lunacharsky, Martoff, Guschin, and others.

The Fraternity of Russian Truth has repeatedly referred to the fact that various unknown persons often make use of the title of the Fraternity and sign their articles or handbills in its name.

In this instance again, without commenting on the contents of the handbills dated March 20, 1928, the Fraternity of Russian Truth wishes to declare that it has no connection with the handbills in question and that anyone who signs their name or their title for their own purposes

Communism will die! Russia will never die!

[illegible]!

A month ago, after long preparations, Trotzky, under pretext of 'deportation', was sent out of the . . . . . for the purpose of well planned provocative activities.

We received a fraternal warning from Moscow a week ago to the effect that Trotzky is an old-time communist and is a strong adherent of the Party, which is composed of the scum of international crooks whose one law and commandment is MURDER TIME.

We assert that whilst in Vernyy, Trotzky was at the head of preparations for a Red campaign into India and he almost took possession of Afghanistan in conjunction with the Red Emir Amanullah. All talk of opposition is but a means of testing communists to know who will dare to have his own opinion. Moreover in view of the inevitable fall of the Communist power, during the past six years, substitutes have been trained to take the place of the present Red tyrants, for which purpose 'exiles' and 'deportations' are represented with a view to avoiding the sympathies of the enemies of communism for them and also so that the future Moscow commissaries of Trotzky's lead should be exempt from blame for the happenings in Russia.

At present, in accordance with the plans made, Trotzky was to connect emigrant activities with the Soviet in such a manner as to curtail these, spoil their plans, provoke emigrants and foreigners and if possible to effect a socialist revolution in Europe.

Similar plans are marked out for the Far East where A GROUP OF [illegible] IS OPERATING ON BEHALF OF TROTZKY, INCLUDING KORVSKY. This insignificant crook alone is of little importance, but sparks of International Masonry are at the back of him.

KORVSKY is the man who appeared in Siberia in 1918 and joined in the White Uprising, but later when he was expelled from Omsk he inspired Baida in Vladivostock for an uprising against Admiral Koltchak. During that uprising over 200 officers perished as a result of the activities of Koravsky, Krakovetsky and other provocators, who since 1918 have joined the ranks of communists and are their faithful servants.

KRAKOVETSKY, a friend of Koravsky, was compelled by the Komintern to serve it openly and since 1921 he is officially working in the Ministry for foreign Affairs (People's Commissariat).

KORAVSKY has been assigned by the Komintern to 'work' amongst the emigrants, so that penetrating in their organizations, he may hinder their activities in every way and restrain Russians abroad from extending a fraternal hand of assistance to their Russian fellow citizens, prisoners of Bolshevism. The shameful provocator, however, did not succeed in his plans. In 1928 he was exposed and expelled from the White Siberian Organization, which he attempted to compromise by printing false stamps, for which offence he was sentenced by the French Concession Court in Shanghai to 3 months' imprisonment and deportation.

However, the [illegible] of many hundreds of Russian officers, having caused a lot of detriment already by his provocative activities to the White movement, is still continuing to mislead Russian people and now like a true provocator and [illegible] is exposing Russian officers, beguiled by him, to criminal responsibility.

Russian people be aware of the fact that this scoundrel has now been entrusted together with [illegible], [illegible] N, [illegible], [illegible], Colonel of the General Staff and [illegible] as well as others, working on behalf of Trotzky amidst emigrants, to do all in their power to prevent real enemies of Communism, the Russian Whites, from getting organized.

[illegible] in the FAR EAST be on your guard!

Beware against these crooks and followers of Trotzky involving you in their spider's cobwebs.
